

I oppose the new broadcast service LPFM if it is going to eliminate or hinder nationally syndicated radio stations like K-Love. This station provides me local Christian events announcements, as well as national/world news. I believe it is in the public's best interest to retain this station since it informs the local community of local Christian related events free of charge. It would hurt local organizations by increasing our advertising cost if we loose K-LOVE. I feel that there are enough other non-Christian, local FM stations to serve the general public.
